

# PUTNAM COUNTY HERALD

VOLUME X.

COOKEVILLE, TENNESSEE, THURSDAY, SEPTEMBER 5, 1912.

NUMBER 36.

Mt. View Lodge, No. 179 I. O. O. F. met at the usual hour Aug. 31, 1912. A. N. Bowden N. G. presiding, with a slim attendance of brothers, said to be caused mostly by brothers being exhausted by strenuousness and company occasioned by the fair.

The sick brothers were reported to be about as last week.

One petition for initiation was presented and referred to an investigation committee.

One application for the first degree was balloted upon and elected thereto but on account of the absence of nearly all the workers in this degree, the work was deferred until the next meeting, when it is hoped everybody will be rested and will come and claim their attendance.

The Putnam County Association of I. O. O. F. Lodge will meet with Caney Fork Lodge Buffalo Valley, on the last Saturday night in this month.

I. O. O. F. News Bulletin for August has been received by this lodge and distributed to the brothers.

Among other things it seems that the Grand Secretary as well as subordinate secretaries, is more or less worried over carelessness or laziness of secretaries in sending reports for last term. There is scarcely an excuse, except sickness for the semi-annual report being delayed two months. The lodge, like an individual member to be in good standing should pay its dues, (per capita tax) when due. It takes money to run our order.
